Comments

President for the Day

Preside for the pre-breakfast session, the end-of-morning session and the pre-dinner session. Duties include leading the Bible readings during the sessions all together, the giving of thanks for meals, liaison with the speakers and pianist. On Saturday, duties also include presiding for the Memorial Meeting.

Steward for the Day

Duties include door-keeping in the Main Hall and assisting brothers and sisters who need to use the lift.

Lead afternoon Workshop Session (A special appeal for practical/interactive sessions)

Two linked afternoon sessions of 45 minute duration each on consecutive days – either Tuesday/Wednesday or Thursday/Friday. The classes can be workshops, seminars or studies based on a topic of the speaker's choosing that ideally allows time for **structured discussion and group participation**. We aim to have a balance of study-based and practical themes. Brothers and sisters select which of the 6 or 7 groups to attend – resulting in an average group size of around 30 members.

Help in Crèche

Lead: Oversee a team of helpers to supervise 0-3 year olds in the activity crèche for 1 hour following a structured programme provided by the committee. Prepare and run an age appropriate activity to link with Bible story allocated to your session.

Assist: Support crèche leader during 1 hour session to supervise 0-3 year olds in activity crèche during which they enjoy a bible story, a related activity, sing some songs and enjoy free-play time.

Activities with Young People

Morning Session Teaching: The committee produce a full syllabus on a chosen theme which gives a clear learning objective and outline for each lesson as well as lots of practical activities and possible applications. Teachers prepare and deliver a 1 hour lesson based on this information. Choose how many sessions and which age group you prefer to teach.

Teaching Assistant: Provide assistance to teachers of the youngest classes, by helping with toilet visits, hand washing, craft activities, paint/glue preparation and clear up, etc. Bending, kneeling and getting your hands dirty are all part of the job!!

Afternoon Sessions: Children will be placed into different groups (with mixed ages) from their morning sessions and will have the opportunity to undertake different activities on a rotational basis during the week. These activities will include music, art & craft, drama and games based on a given theme and guidance notes. If you have a skill in any one of these areas please volunteer so we can organise a team to run these sessions. The team will repeat their 1 hour session on each of the four days with different children each time. A simple 'show-and-tell' from these sessions, by an MC will be included for the Friday evening.

Evening Activity: Prepare and run a 1 hour session of age appropriate fun activities such as craft, games, quizzes, sports etc. during the last adult session of the day. This fun light-hearted session is designed to build relationships.

Young People's End of Day Session

Lead a 1 hour session (21.30-22:30 approx.) for 13+ with activities (sports, quizzes, games, talent show etc.) to encourage the teenagers to build relationships and relax together in a positive and constructive way. Please conclude with a short (10-15 minutes) Bible-based devotion and prayer (possibly led by one of the young people).

Leisure Time for Adults

Leisure sessions: take place each afternoon and evening. Popular activities include walking, craft work, practical demonstrations and sharing hobbies. Volunteers lead a 1 or 1½ hour activity of their own choice. Reasonable costs will be covered or donations requested from participants.

Evening socials: Help prepare provided refreshments for evening socials under guidance from an organiser.

Open House: Host one social gathering at your own tent / caravan between 10 and 10.45pm. This is open to **all** to encourage integration between residents and campers and is run on a **'bring-and-share'** basis. Plastic cups are provided for drinks.

Afternoon Sports Activities / Sports Afternoon

Extensive sports facilities exist on the campus – but we need enough volunteers to organise, supervise and lead them. Specific daily help is required with sports coordination, swimming pool supervision, and, on Thursday with the Family Sports Afternoon.

Additional Help

Pianists: are required to play on a rotation basis, for each main session, and the end-of-day hymn singing.

Audio Visual: volunteers join a team to create audio and video recordings of all main sessions and the family evening. The team share responsibility on a rotation basis, and training will be provided where needed.

First Aid: volunteers need to be able to deliver initial emergency First Aid if and when required.
